

### REMARKS

Claims 13 - 20, 26 - 29, and 34 - 38 are presently pending. In the above-identified Office Action, the Examiner allowed claims 13 - 20, 26 - 29, 34, and 35. Claims 36 - 38 were rejected under 35 U.S.C. 102(b) as being anticipated by Granberry (US 3,818,386).

By this Amendment, Claims 36 - 38 have been canceled. Additionally, the abstract has been amended in response to examiner's objections. Applicants respectfully submit that the application is now in condition for allowance. Allowance and passage to issue are respectfully requested.

Respectfully submitted,  
Kenneth W. Brown *et al.*
